

April Barnes – Bio

April Barnes is the Associate Vice President for Budget & Analytics at the University of North Texas. She leads the university budget office team in their strategic planning and financial management tasks, and supports the faculty and staff with their budgeting needs. Operating as an effective organizer, strategic planner, and collaborative partner she has built service-focused relationships across the university and UNT System. Before joining UNT, she served as the Assistant Vice President for Finance & Administration at UNT Dallas. Her experience in higher education also includes positions at Texas A&M Commerce and Universities Center at Dallas.

She is a CPA with a Bachelor's degree in communication from Texas A&M and a Master of Science degree in accounting from Texas A&M Commerce.
