

Monica Barria

Monica joined the U.T. System in January 2012 and is responsible for managing the System's banking and merchant agreements on behalf of the System's academic and health-related institutions as well as providing support for Treasury related enterprise resource planning projects for the UT Share cohort, in addition to oversight of System Administration treasury activities. Prior to joining the System, Monica held various roles during her fourteen year career at Freescale Semiconductor (formerly Motorola, now NXP) beginning as a Site Planner supporting Facilities and Corporate Real Estate and transitioning to a Financial Analyst role supporting Treasury and then R&D. Monica is a Certified Treasury Professional (CTP) and earned an MBA from St. Edwards University and Bachelor of Science in Interior Design from the University of Texas at Austin.
