

Johnny Reyes

Senior HR Business Partner, University of Texas System

Johnny Reyes is a Senior HR Business Partner for the University of Texas System (UT System). To date, his professional career has been exclusive to UT, with a total of 13 years of experience amongst UT Austin's Marine Science Institute and UT System Administration. As an experienced HR Business Partner, he is skilled in the functional areas of employee relations, HR policy administration, workforce planning, performance management, retirement, training, and organizational development. Johnny holds a Bachelor of Business Administration (BBA) in Human Resources Management from Texas A&M University-Corpus Christi and has held an active SHRM-SCP credential since 2015.

Johnny currently serves on both the UT System Benefits Advisory Council and Employee Advisory Council as the System Administration representative.
